Codsoft (Hyderabad, India)

- Acquire practical skills in Figma, framer, canva Through comprehensive training.
- Perform a tasks on Login Page, E-mail Template, food order menu.

Projects

social media design | May 2025 - June 2025

- The Social Media Design project focuses on creating visually compelling, brand-consistent digital assets tailored for various social media platforms, including Instagram, Facebook, Twitter (X), LinkedIn, and TikTok. The goal is to enhance online presence, improve engagement rates, and support marketing campaigns through high-quality visual content.

This project involves researching target audiences, developing content themes, and designing graphics such as posts, stories, reels thumbnails, cover images, and promotional banners. The designs will align with the brand's tone and objectives, ensuring consistency across all platforms.

Key tools include Adobe Photoshop, Illustrator, Canva, and Figma. Deliverables will follow each platform's technical requirements (aspect ratios, resolutions, etc.) and consider platform specific design trends and user behavior
